Sir,

Our company donated and developed Sree Vanam Musical Fountain and Garden on donor basis. Our company does not have any permanent vehicle from Tirupati to Tirumala. Kindly take into your notice that our Fountains materials and parts coming from different places, we do not have any permanent vehicle. For the past 4 years, we were transporting the parts through different private vehicle sources.

So kindly consider and grant the vehicle permission. Please Kindly do the needfull.

Thanking You,
